Subscription example) For au HIKARI Home Zutto Giga-Toku Plan (contract term: 3 years), a basic fee of 5,610 yen/month plus an option fee of 550 yen/month separately apply. When you cancel your Internet service, you may be charged a contract cancellation fee of 4,730 yen, depending on the length of your contract.

★1: Some services are not eligible. The discount applies only if you subscribe to "Internet + Phone," "Internet + TV," and "TV + Phone" through the same home Internet service. ★2: Please check the au website for the eligible cable TV stations for "Internet + TV" and "TV + Phone." ★3: For each home Internet service line, up to 10 au mobile phone lines (or a total of 9 lines for au Home Router 5G or other router service. The same applies hereinafter.). If the line subscribed to "au Smart Value" is also subscribed to the "Family Discount Plus" group or UQ mobile's "Home Set Discount" group, the au/UQ mobile phones in the groups will also be included in the count. You can sign up if the person(s) who signed up for your home Internet service, au Home Router 5G, au mobile phone, etc. has the same surname and the same postal address. Family members over 50 years old can sign up if their address is not the same as the address used to sign up for the eligible home Internet service ("Internet + Phone," "Internet + TV," and "TV + Phone"). If the surname is different, or if the person has a total of more than 5 mobile phones (including tablets and PCs) assigned, the person must present proof that she/he is a family member and lives at the same address (family members over 50 years old living at a different address need only present proof that they are family members.) ※The discount will start to apply from the month after the month you signed up. ※The discount amount will be determined at the end of the month based on the au mobile phone fee plan or Flat-rate Data service that you are signed up for at the time. ※It may not be possible to use these promotions together with other KDDI promotions. ※Fees separately apply such as for devices, calls and communication, contract, universal service and call relay service. ※The information on this flyer is current as of December 2024. The contents may change depending on the time of application.
